2021 Chinese summer camp(K-5th) about Discovery Montessori Academy

Discovery Montessori Academy will hold "Chinese summer camp" activities in summer. We integrate learning and games into courses and activities for K-5th grade students, so that children can improve Chinese proficiency and experience Chinese culture when they undergo immersive educational experience.

Children will spend their time every day happily with diverse schedule, professional and responsible teaching and management.

Children's Summer Camp

Age : 6-12 years-old students (K-5th)

Activities: Chinese learning, games, participation in cultural and sports activities. Summer camp hours: 9:00-11:30

Features of activities

- Focus on language environment
- Practical Chinese Courses with fun (playing games, telling stories, singing Chinese songs, performances, etc.)
- A variety of cultural activities (painting, calligraphy, carving, etc.), physical activity (shuttlecock, rope skipping, diabolo, sports, etc.) and manual activities (origami, painting Peking Opera, etc.)
- Professional teachers are responsible for teaching and managing.

Mission: We help students to understand the study of traditional Chinese culture, such as Chinese Geography and History; folk culture; calligraphy; Chinese painting; Face; and paper cutting in addition to improving students' Chinese listening, speaking, reading and writing from varying degrees. We help students understand the Chinese culture and enhance language learning by providing cultural curriculum.

Qualifications of teachers: Our teachers have a Bachelor of Education or Master of Education degree with years of teaching experience, which can provide teaching quality assurance.
